

★ EL PASOANS TAKE CARE OF EACH OTHER ★

Our care and compassion for others is the core of what makes our community great. We work hard to make sure those we love have the things they need. We reach out when people need help. And when it comes to voting and electing officials, we make sure to support the people who would do the same.

Our values are the Democratic values. Which is why this November, we need you to help us elect leaders who are ready to make a difference in our lives and the lives of those we love.

We need leaders who will:

- ★ Fully fund public schools and support our teachers
- ★ Expand affordable healthcare access
- ★ Create new, good-paying jobs in our community
- ★ Make sure our court system is fair and efficient
- ★ Protect and expand Social Security
- ★ Create opportunities for small businesses to thrive
- ★ Ensure our kids have safe and bright futures
- ★ Address climate change on local and federal levels
- ★ Bring long-term solutions for gun violence and immigration

Republicans are counting on us not to vote. Which is why they passed laws making it more difficult for you to cast your ballot. **Together, with local El Paso Democrats, we will keep moving our community forward!**
