

**Soledad "Chole" Galvan** has participated in every Democratic Party activity as long as most of us can remember. She has worked tirelessly on many campaigns. She serves as Precinct Chair and as Precinct Judge in Precinct #45. She supports her candidates by walking the Sunset Area to solicit votes. In the process, she knows every resident in that area by name. What a Democrat! In addition to her campaign work, Chole contributes to the Party every month. One would wish that more people would follow that example. She is active in her church, the St. Vincent de Paul Charity, Project Bravo, the Sun Metro Advisory Board and the Sunset NIA. She was the first Hispanic volunteer in the Women's Army Corps (WAC). For the past fifty years Chole has set an example for us all through her energy, generosity and dedication to the Democratic Party.
